

Inventorship

In view of the papers filed 7/11/07, it has been found that this nonprovisional application, as filed, through error and without deceptive intent, improperly set forth the inventorship, and accordingly, this application has been corrected in compliance with 37 CFR 1.48(a). The inventorship of this application has been changed by adding Mr. Tommy Palmelöv and Mr Staffan Örevik as inventors, and correcting Mr. Palmelöv's name to Tommy Palmelöv.

The application will be forwarded to the Office of Initial Patent Examination (OIPE) for issuance of a corrected filing receipt, and correction of Office records to reflect the inventorship as corrected.
